DIRECTION TO OUR OFFICE

FROM THE NORTH

Take I-95 South to its end where it becomes U.S. 1 (also known on So. Dixie Highway).

Turn Right onto N. Kendall Drive and proceed to the 2nd Traffic Light (Dadeland Blvd).

Turn left onto Dadeland Blvd for one block and turn Right onto So. Dadeland Blvd, which is in front of the Marriott Hotel. Pass the Marriot and proceed in the middle lane to the traffic light where Publix is on your right and a tall yellow building is directly in front of you.) The traffic light has a sign pointing to South Dadeland Blvd (as if you are heading towards the "11" on a clock). You want to be in the center lane and take a gradual left turn onto So. Dadeland Blvd and proceed past the yellow building approximately 100 yards to a small traffic circle. The circle contains a sign with a diagram of the location of the 9200, 9300, 9400, and 9500 buildings of Dadeland Towers. Take a right as you approach the circle towards the 9200 Building and proceed to the 9200 building. Please use this and it will be much easier for you to park.

Parking: Parking is free. Surface parking is allowed around the area. The parking around the building is usually open. You can also try the garage and see if there are any open spaces.
